Pre clarification with enzymes and cold. Alcoholic fermentation with selected yeasts at low temperature (15 °C).

NOTA DE CATA | TASTING NOTES

A la vista se presenta con un color amarillo pálido con reflejos verdosos muy brillantes. En nariz, ofrece un aroma intenso y fresco, con notas de pomelo, lima y maracuyá, acompañadas de delicados matices herbáceos y florales característicos de la variedad. En boca, se muestra vibrante y expresivo, con marcada acidez que realza su frescura. Predominan sabores cítricos y tropicales, con un final persistente, mineral y sumamente refrescante.

In sight, it presents a pale yellow color with very bright greenish reflections. On the nose, it offers an intense and fresh aroma, with notes of grapefruit, lime, and passion fruit, accompanied by delicate herbal and floral nuances characteristic of the variety. On the palate, it shows itself as vibrant and expressive, with marked acidity that enhances its freshness. Citrus and tropical flavors predominate, with a persistent, mineral, and very refreshing finish.
