Composition

100% Sauvignon Blanc

Vineyards

Maipú, Mendoza.

Harvest

Last week of February, manual.

Elaboration

Maceration: Predfermentative at 10°C (50°F), with enzymes.

Fermentation: At 14°C (57.2°F) with selected yeasts.

Aging: Cooled in tank until the bottling.

Tasting notes

Glowing golden color with green gleams, clean and bright.

Fruity and slender wine, with hints of tropical fruits and flowers which also enhance its delicious flavor. With a greatest depth and heft on the middle palate.
